The UPD K-9 responded to the traffic stop and was used to search the car. The dog alerted on a wheel well and when that area was searched, a magnetic box was located that contained several ounces of Methamphetamine. The suspect was arrested for Possession for Sales and his parole was violated. He was booked at West Valley for these charges.*
- *At about 2:00 a.m. Monday morning, UPD units were dispatched to a grand theft auto that just occurred from an apartment complex in the 1000 block of W. 11th. An officer responding to the scene located the stolen vehicle with a second vehicle following it and initiated high-risk vehicle stops on both near 11th and Central. The driver of the stolen car was arrested for GTA. When his personal property was found in the second car, that driver was arrested as well. They were both booked at West Valley for GTA.
